# Index to Volume 19: Subject

Affective disorders
  Treatment and outcomes of psychotic patients during pregnancy and childbirth (Spielvogel and Wile) 131
Age factors
  "The last egg in the basket?" Elderly primiparity—a review of findings (Harker and Thorpe) 23
Art
  The birth symbol in traditional women's art (Allen) 1 (Editorial)

Backache
  Short-term morbidity associated wtih cesarean delivery (Hillan) 190
Bath
  Warm tub bath after spontaneous rupture of the membranes (Waldenström and Nilsson) 57
Bereavement; see Grief
Birth, psychology
  College women's expectations about pregnancy, childbirth, and infant care: a prospective study (Wallach and Matlin) 202
  Counteracting, not reenacting, the violation of women's bodies: the challenge for prenatal caregivers (Kitzinger) 219 (Roundtable)
  Effects of childhood sexual abuse: issues for obstetric caregivers (Grant) 220 (Roundtable)
  Effects of childhood sexual abuse on childbirth: one woman's story (Rose) 214
  Overcoming the legacy of childhood sexual abuse: the role of caregivers and childbirth educators (Simkin) 224 (Roundtable)
  Pregnancy and childbirth as triggers for abuse memories: implications for care (Courtois and Riley) 222 (Roundtable)
  Treatment and outcomes of psychotic patients during pregnancy and childbirth (Spielvogel and Wile) 131
Birth experience
  Just another day in a woman's life? Part II: Nature and consistency of women's long-term memories of their first birth experiences (Simkin) 64
Birth outcome; see Pregnancy outcome
Birth plans
  Sheila Kitzinger's letter from England: birth plans (Kitzinger) 36
Birth symbol
  The birth symbol in traditional women's art (Allen) 1 (Editorial)
Birthweight
  Medical miracle or pyrrhic victory? (Harrison) 157(Roundtable)
  Neonatologists versus the rest—the need for new rules (Campbell) 158 (Roundtable)
  The problem of probable outcome (Guillemin) 155 (Roundtable)
  Reply to editorial comments (Mercier) 160 (Roundtable)
  Survival of an infant with a birthweight of 345 grams (Sherer et al) 151 (Case report)
  Tiny babies—enormous costs (Paneth) 154 (Roundtable)
Breastfeeding
  Can we expect greater intelligence from human milk feedings? (Lawrence) 105 (In the literature)
  Prenatal factors associated with breastfeeding duration: recommendations for prenatal interventions (O'Campo et al) 195
  Sucking technique and its effect on success of breastfeeding (Righard and Alade) 185

Central nurseries
  Family-centered maternity care: Is the central nursery obsolete? (Young) 183 (Editorial)
Cesarean section
  Short-term morbidity associated wtih cesarean delivery (Hillan) 190
  Should the electronic fetal monitor always be used for women in labor who are having a vaginal birth after a previous cesarean section? (Flamm et al) 31 (Roundtable)
  U.S. cesarean section rates 1990: an update (Taffel et al) 21
Child abuse, sexual
  Counteracting, not reenacting, the violation of women's bodies: the challenge for prenatal caregivers (Kitzinger) 219 (Roundtable)
  Effects of childhood sexual abuse: issues for obstetric caregivers (Grant) 220 (Roundtable)
  Effects of childhood sexual abuse on childbirth: one woman's story (Rose) 214
  Overcoming the legacy of childhood sexual abuse: the role of caregivers and childbirth educators (Simkin) 224 (Roundtable)
  Pregnancy and childbirth as triggers for abuse memories: implications for care (Courtois and Riley) 222 (Roundtable)
Childbirth; see Birth entries
College; see Education
Commentaries
  The best research is that which breeds more (Oakley) 8
  Cultural dimensions of Hmong birth (Judkins and Judkins) 148
  Do I do that? Do I really do that? Like that? (Enkin) 19
  How do you give the bad news to parents? (Statham and Dimavicius) 103
  Obstetric ultrasound—an issue of quality (Merritt) 100
  Providing versus packaging support for bereaved parents after perinatal loss (Leon) 89
  Who should perform sonograms? Those with the skills and experience to provide complete and accurate service (Seeds) 101
Communication
  Do I do that? Do I really do that? Like that? (Enkin) 19 (Commentary)
  "You'll feel me touching you, sweetie": vaginal examinations during the second stage of labor (Bergstrom et al) 10

Death
  The crisis of pregnancy loss: a team approach to support (Brown) 82
  Providing versus packaging support for bereaved parents after perinatal loss (Leon) 89 (Commentary)
Delivery nurses
  The best research is that which breeds more (Oakley) 8 (Commentary)
  Supporting women in labor: a work sampling study of the activities of labor and delivery nurses (McNiven et al) 3
Doulas
  Doulas and the quality of maternity services (Richards) 40 (In the literature)

Editorials
  The birth symbol in traditional women's art (Allen) 1
  Family-centered maternity care: Is the central nursery obsolete? (Young) 183
Education, childbirth
  Overcoming the legacy of childhood sexual abuse: the role of caregivers and childbirth educators (Simkin) 224 (Roundtable)
Electronic fetal monitoring
  Should the electronic fetal monitor always be used for women in labor who are having a vaginal birth after a previous cesarean section? (Flamm et al) 31 (Roundtable)
Epidemiology
  U.S. cesarean section rates 1990: an update (Taffel et al) 21

Family
  Family-centered maternity care: Is the central nursery obsolete? (Young) 183 (Editorial)
Fatigue
  Sleep disturbances, vitality, and fatigue among a select group of employed childbearing women (Lee and DeJoseph) 208
Fetal monitoring
  Should the electronic fetal monitor always be used for women in labor who are having a vaginal birth after a previous cesarean section? (Flamm et al) 31 (Roundtable)
Fetus, abnormalities
  How do you give the bad news to parents? (Statham and Dimavicius) 103 (Commentary)

Grief
  The crisis of pregnancy loss: a team approach to support (Brown) 82
